Directions

Set the Retigo combi oven on steam mode 99°C, 6 minutes.

Wash the cauliflower thoroughly and place it onto Vision frit and steam it.

To make the sauce, melt the butter in a heavy-based saucepan and stir in the flour. Cook over a gentle heat for 1 minute. Remove the pan from the heat and gradually add the milk, a little at a time, stirring well between each addition. Return the pan to a medium heat and bring the mixture to the boil, stirring constantly. Simmer for 2 minutes, then remove from the heat. Stir in the mustard and two thirds of the cheese and set aside.

Arrange the cauliflower in a Vision pan. Carefully pour over the sauce, ensuring the cauliflower is completely covered. Scatter over the remaining cheese and bake for 20 minutes on hot air mode 75%, until the top is golden brown and bubbling.
