Directions

- Place a thick-bottomed saucepan over a medium heat and add oil. Once hot, add the sliced onions and cook until golden brown, stirring occasionally.
- Add the ginger and garlic pastes. Stir well for 2 minutes, then add salt, turmeric and chilli powder and fry for a further 5 minutes.
- Add the medium potatoes and diced carrots to the pan. Once almost cooked through and tender, add the beans, green peas, cumin powder and crushed coriander seeds.
- Cook over a high heat, stirring regularly until the vegetable mixture is quite dry. Remove from the heat, transfer to a plate and set aside. This can be prepared in advance
- Preheat the Retigo combi oven to 180°C.
- Allow the pastry sheet to soften slightly, then unwrap on a chopping board and cut in half lengthways. Spoon the vegetable mix along one of the long sides of the pastry.
- Using a pastry brush dipped in water, brush the edges of the prepared sheet lightly. Lift the pastry from underneath the filling and roll over to seal in the vegetables.
- Press the edges gently together to form a sausage roll shape.
- Cut the roll into (approximately) 3cm long parcels. Gently lift the puffs onto a enameled GN container. Dip the pastry brush into the whisked egg yolk and use to brush the top of the puffs.
- Bake for 15 minutes, or until the puff pastry has fluffed up nicely and is golden brown. Serve the vegetable puffs warm.
