Allergens: 9	
Minerals: Ca, Co, Cr, Cu, F, Fe, I, K, Mg, Mn, Na, P, Se, Zn	
Vitamins: A, B, C, D, E, K, Kyselina listová	
Nutritional value of one portion	Value
Energy	292 kJ
Carbohydrate	3.2 g
Fat	21.4 g
Protein	21.7 g
Water	0 g

## Directions

The first stage

Put the ground beef into the standard conditioning basin 1/1GN to make (accelerate the heat conduction speed and bake the color effect)

During the roasting process, it needs to be stirred periodically to avoid agglomeration. The beef protein will stick together when heated and needs to be stirred

second stage

Stir-fry the seasoning spices such as chopped celery, carrot, and chopped tomato in advance to get the aroma

Stir-fried minced beef, stir-fried vegetable ingredients, water, tomato ingredients and other ingredients are all put into a standard cooking pot to continue cooking

Seasoning spices must be mixed with the ingredients and baked together, stirring once every 15 minutes

## Recommended accessories

Vision Pan

GN container Stainless  
steel full

Enameled GN  
container
