Directions

In a saucepan, combine the butter and milk, a pinch of salt, and a pinch of pepper.

Bring to a boil, then remove from the heat and quickly stir in the flour with a spatula.

Return the saucepan to low heat to dry out the dough, stirring continuously.

When the dough forms a ball that no longer sticks to the sides of the pan, remove it from the heat.

Add 4 eggs, incorporating them into the dough one at a time until smooth.

Then add the cheese.

Transfer the choux pastry to a piping bag fitted with a nozzle and pipe the choux onto a rectangular baking sheet.
