## Directions

Preheat the oven to 200°C, combi mode 50%.

Brush the undersides of the mushrooms with half of the olive oil, season with salt and freshly ground black pepper and place onto a Retigo snack GN container. Roast for 10 minutes, or until the mushrooms begin to soften. Remove from the oven and set aside. Drain the soaked sun-dried tomatoes and place into the bowl of a food processor. Add the garlic, basil, parsley and the remaining olive oil. Blend to a rough paste, adding more olive oil if necessary to loosen the mixture. Season, to taste, with salt and freshly ground black pepper.

Spread a quarter of the paste inside one of the mushrooms and top with a slice of the goats' cheese. Repeat with the remaining stuffing mixture, mushrooms and goats' cheese. Place the stuffed mushrooms back onto the Retigo snack and cook for 5 minutes, using Golden Touch function or until the cheese is golden-brown and bubbling.

To serve, mix the watercress and wild rocket together in a bowl and dress with the olive oil and balsamic vinegar. Divide the salad among four serving plates, then place a stuffed mushroom on each plate and serve.
